

Advertisement for the Post of Research Assistant Under Rajiv Gandhi University of Health Sciences (RGUHS) Sponsored Project

Applications are invited from eligible candidates for the position of Research Assistant under the Rajiv Gandhi University of Health Sciences (RGUHS) funded research project titled “Green Synthesis, characterization and formulation of metal nanoparticles for biomedical applications against Multidrug resistant bacteria”.

The project has been sanctioned by Rajiv Gandhi University of Health Sciences (RGUHS) vide Order No. RGU/ADV-RES/GEN-FR/238/2025-26 dated 30-12-2025.

Principal Investigator	Dr. C.P. Chandrappa Professor Shridevi Institute of Allied Health Sciences, Sira Road, Tumakuru-572106, Karnataka.
Project Duration	The initial appointment shall be for a period of 11 months, which may be extended for a further period based on the candidate's performance.
Number of Post	One (01)
Essential Qualification	B.Sc.in Microbiology / Biotechnology / Biochemistry / Life Sciences/ Medical laboratory technology or any related discipline from a recognized University
Job Responsibilities	1. Conducted research on the green synthesis and characterization of metal nanoparticles for biomedical applications targeting multidrug-resistant bacteria. 2. Assisted in microbiological assays, data analysis, and the preparation of research reports and publications.
Fellowship/ Salary	Rs. 12,000/-Per month (Consolidated)
Maximum age	30 Years
Last date of Applications	30 th May 2026

Instruction to the candidates

1. Only shortlisted candidates will be notified via email, tentatively by 15th April 2026, to appear for the interview.
2. The interview will be conducted in person only. No TA/DA will be provided for attending the interview.
3. The position is available immediately; therefore, selected candidates are expected to join without delay.
4. Interested candidates must send their CV, along with soft copies of their certificates and other necessary documents (in PDF Format), to the specified email address: chandrappacp@gmail.com.
5. Incomplete application forms will be rejected and will not be considered for the interview process.
6. Applicants who do not meet the required qualifications will not be called for the interview. The institute reserves the right to set appropriate criteria for shortlisting eligible candidates who meet the qualification and experience requirements.

For any clarification regarding the application process, candidates may contact the Principal Investigator (PI) via email.: chandrappacp@gmail.com.
